Based on the founding principles of Amsterdam and New York City, ROSEFIELD watches & jewellery are created for free-spirited individuals. ROSEFIELD makes fashion-forward accessories where classic meets modern. Where Amsterdam meets NYC. Where function meets fashion.

In short, each ROSEFIELD piece is a tribute to the great vibes, the energy and the tolerance for free thinking that is typical for both Amsterdam and New York City.

A M S | N Y C

In its story, name and design **ROSEFIELD** captures the common history between Amsterdam & New York. New York City was established as 'New Amsterdam' by the Dutch in 1624, Franklin Roosevelt – whose name translates to 'Rose Field' – was one of two Hudson Valley-born presidents to claim Dutch heritage.

ROSEFIELD watches & jewellery combine Dutch minimalist design with contemporary New York fashion aesthetics. Resulting in a series of contemporary fashion accessories with an offbeat twist.

Basic Visual Rules:

These are basic merchandising guidelines that will help you create a visually impactful display.

- First group your Rosefield Jewellery by category ie. earrings on the trees & necklaces on angled runners.
- Keep similar styles together in their product stories, even if the colours are different (ie. Textured Coin necklace in gold, silver & rose gold together).
- Try to put silver styles between gold & rose gold styles where possible.
- Display should follow a decending structure, with height created at the back using the trees and bracelet stands, finishing with the flat boxes and runners towards the front.
- Always display the current season's visuals and remove all old visuals.
